

10 ways to use your library this summer

As a Sheffield Libraries member, you have free access to a wealth of facilities to help you connect with culture, creativity, knowledge, and each other. Becoming a member is FREE.

1. Stock up on holiday reading

In these uncertain times, let us help you escape into a good book

2. Try our school holiday activities

Sign the kids up for the Summer Reading Challenge, and check out our programme of family activities

3. Check out a board game

You can now borrow board games from Sheffield Central Library, just like a book

4. Discover Graphic Novels

Available at Central Library and online in the eLibrary

5. Keep the kids entertained during long car journeys

Enjoy access to thousands of free audiobooks, eBooks, and eMagazines

6. Research your family history

We subscribe to a range of online tools on your behalf, meaning you can save money.

7. Explore Sheffield through time and space

Visit StoryTrails at Sheffield Central Library on the 27th and 28th July and discover the magic of augmented and virtual reality

8. Experience foreign food without leaving home

We stock a massive range of cookbooks covering diverse world cuisine

9. Take the first step in starting your business

Visit our Business and intellectual Property Centre

10. Start a reading group with friends

Share your love of reading with others
