Introduction

This report examines the results of the Parent & Carer Survey issued by staff at High Hazels Academy. The report measures the levels of satisfaction among the parents and carers for a range of criteria chosen by staff at the Academy.

The survey was scored on a four-point scale ranging from 'Strongly Agree' to 'Strongly Disagree' with an additional option of 'Don't Know' available. For statistical purposes, each available option was given the following point score:

Strongly Agree:	4
Agree:	3
Disagree:	2
Strongly Disagree:	1
Don't Know:	0

ASDTi, the authors, programmers, owners and developers of this survey accept no liability (in whole or in part) for claims arising or deriving from its use, which is at the sole liability of the school or college commissioning it. It is important that this survey is used positively, constructively and fairly, in accordance with good pastoral and school leadership practice, and that any individual or group who may have cause for dissatisfaction (and have expressed it in their responses) is not isolated, marginalised, disciplined or bullied. Other sources of evidence for the factors mentioned should always be sought, and no action should be taken without thorough research on cause and likely remedy. Use of the survey instruments and this report is agreed solely on this basis, and this report must be discarded before use if the school, college or user is not in agreement with these terms. ASDTi make no warranty or claim regarding suitability of this report for any specific purpose. The school accepts full responsibility for determining suitability before use. Your use of this report and the survey system signifies your acceptance.
