

Nursery (2 year olds)	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Theme & Core Texts	It's good to be Me Love makea a family Colours Orange Pear, Apple Bear	Winter Stickman	Buildings and Homes Goldilocks and the Three Bear The Three Little Pigs	Dinosaurs Dinosaur Roar If I Had a Dinosaur	Water I'm the Biggest Thing in the Ocean Mr Grumpy's Outing.	Whats Outside? Ten Seeds Walking Through the Jungle
& Language	Key learning: Identify familiar objects and properties for practitioners when they are described: for example: 'Katie's coat', 'blue car', 'shiny apple'. Develop pretend play related to text Learning opportunities: Feel texture of feathers, bark, leaves etc and link to language e.g.: 'rough bark', 'crunchy leaves. Join in with repeated refrains e.g.: 'I want my Mummy!' Talk about the pictures to show understanding of the story. Identify different animal noises. Bring in photos of families and discuss. These could be made into a family tree, wall display or floor book to help children feel more connected with their home while in the setting. Key learning: Put two words together to describe e.g.: 'green apple' Start to answer simple questions about a text e.g.: 'where is the pear?' Learning opportunities: After visit to Supermarket (linked to Literacy on next page), add shopping toys to home corner to link to children's experiences. Prepare a fruit salad as a group, model language by describing the taste, colour and texture of fruit. Provide a selection items (e.g.: foods, buttons, beads) of different colours along with some baskets. Invite children to talk about the colours they can see and describe objects as they sort them into groups	Key learning: Understand simple instructions like "give to nanny" or "stop". Identify familiar objects and properties for practitioners when they are described: for example: 'Katie's coat', 'blue car', 'shiny apple' Learning opportunities: Create a large outline of a snowman on the ground using natural materials such as sticks. Give children simple instructions to follow e.g.: 'Put a leaf on the snowman's nose'. Create winter themed treasure basket which could include the following: Winter clothing Cotton wool 'snow' A cold item from the freezer Snow globe Animal toy from a polar region Sensory bottle with water, glitter and glue. (lid glued tightly shut)	Key learning: Develop pretend play e.g.: 'sleeping in mummy bear's bed' Retell a story with the aid of simple pictures and props. Answer questions about the text including 'who', 'what', and 'where'. Learning opportunities: Comment on 'Goldilocks' as you read to children e.g.: 'It looks like Little Bear is feeling a bit worried' Ask who/what/where questions about the pictures e.g.: 'I wonder who had the little bowl of porridge?' Create a Goldilocks and the Three Bears sensory tray. Cover a tuff tray with porridge oats and place bowls, spoons, small world bear toys (with three different sizes) and a doll into the tray. Encourage children to retell the story. Key learning: Understand and act on longer sentences e.g.: 'build big tower' or 'knock down tower'. To understand one part instructions e.g.: 'line up at the door'. Answer questions about the text including 'who', 'what', and 'where'. Learning opportunities: Listening treasure boxe — add items which make interesting noises to a 'treasure box' e.g.: crinkly paper, instruments, pots and pans. Encourage children to take turns and explore the items and the sounds they make and talk about them. Create a three little pigs small world area featuring different materials and characters from the text. Ask 'what', 'who' and 'where' questions using characters from the book.	Key learning: Develop a wider range of vocabulary including opposites. Identify familiar objects and properties when described e.g.: 'green dinosaur', 'tall cup' Learning opportunities: Use opposite picture cards and play matching game. Place different types of dinosaurs in a large feely bag. Children to take turns to pull out different dinosaurs from the bag and describe them. Post box activity — hold up cards of different coloured dinosaurs and post through the letter box. Encourage language and model phrase ' gone' e.g.: 'green dinosaur gone', 'red dinosaur gone'. Key learning: Understand simple questions about 'who', 'what' and 'where' (but generally not 'why'). Learning opportunities: Read 'If I had a Dinosaur', recall parts of the story and answer questions about the text. E.g.: Where did the girl take her dinosaur? What did the dinosaur eat? Encourage children to use their imagination to answer some questions E.g.: What would you do if you had a dinosaur? Where would you take your dinosaur? Remember to ensure you give children plenty of processing time (at least 10 seconds).	Key learning: Children develop their vocabulary further and use vocabulary not used every day To start to understand vocabulary related to size e.g.: 'Can you find the big fish?' Learning opportunities: Invite children to point to certain parts of the text and other images to check understanding e.g.: 'Can you show me the big boat?' Name and identify toy sea creatures through games such as using a 'mystery box' for children to pull out toys and name. Key learning: Develop pretend play: 'putting the baby to sleep' or 'driving the car to the shops' Develop a wider vocabulary using prompts from 'Mr Gumpy's Outing'. Learning opportunities: Recall and retell story in different contexts including in role play, small world and tuff spots. Use animal toys to understand actions in the story when retelling own words. Play matching game with animal pictures and animal sounds.	Key learning: Children can say and understand words for time e.g.: 'now' and 'later'. Children can understand an increasing vocabulary for function Learning opportunities: Use 'Ten Seeds' to encourage language related to time. Use a 'now ' and 'later' table to show children a visual representation of their day, encourage children to interact with this. Children are able to describe what objects do e.g.: a watering can is used to water plants in the garden. Key learning: Children can link up to 5 words together. Children can describe actions e.g.: the monkey is swinging in the trees. To respond to simple instructions e.g.: 'Stamp like an elephant.' Learning opportunities: Create actions to musical version of 'Walking in the Jungle' https://www.youtube.com/watch?v=plvYOquSyJg Play game 'guess the animal', children pick an animal card and use words and actions to describe the animal to the group. Place animal toys in sand area for children to recreate the animal actions learnt in the book.

(2022-2023)

Physical

Key learning:

Develop simple hand coordination
Gain control of body through large movements
Learning opportunities:

Sing rhymes with actions relating to 'me and myself'. e.g.: 'Everybody do this, just like me', 'If you're happy and you know it'.

Create 'woodland den' outside providing space/ containers for children to explore and adjust to their own play objectives.
Use owl finger puppets to develop fine motor skills and explore the Owl Babies characters.

Key learning:

types

Showing more control in using fine motor skills
Develop healthy eating habits and introduce a range of food

Can use large-muscle movements to wave flags, streamers and use paint brushes on large surfaces and make marks

Learning opportunities:

Increase independence during snack time

Try tasting different types of fruit/vegetables and discuss Tuff Spot activity -Rainbow Spaghetti: dve spaghetti different colours. Add shapes, colourful rings and plastic cups for more textures and for children to shake and sort. Create DIY liquid water colours in a spray bottle using dried up felt tip pens and water. Experiment spraying different colours outside on large canvases. Provide children with a variety of coloured scarves and streamers to dance with to music.

Key learning:

Start to dress independently e.g.: using zips and buttons on coats

Children to make sensible choices about clothing for different weather

Learning opportunities:

Dressing teddy for winter/summer:

Encourage children to make appropriate choices for the season

Encourage children to dress the teddy independently. attempting to put arms in sleeves, fastening Velcro, wrapping a scarf etc. Discuss the weather daily and create a weather chart. Ask questions about the weather e.g: 'It looks like it is raining. What shall we wear to keep us dry outside? Fine motor activities to develop pincer and tripod grasp and strength. E.g.: Draw a snowman on an empty plastic bottle and fill with coloured pom-poms. Placing sequins on Christmas tree template. Creating a 'stickman' with

sticks and playdough

Key learning:

Gradually gain control of their whole body through continual practice of large movements, such as waving, kicking, rolling, crawling and walking. Build independently with a range of appropriate resources.

Learning opportunities:

Make a basic obstacle course where children can pretend to be a bear in the forest.

Introduce a variety of equipment e.g.:
A tunnel to crawl through Benches to walk along
Spots on the ground to jump to and from

A set of cones to run inbetween

Create some play 'cement' by mixing sand and shaving foam. Ask children to make a home for Goldilocks. Add some wooden blocks, diggers and children's bricklayer tools.

Key learning:

Build independently with a range of appropriate resources Show an increasing desire to be independent, such as wanting to feed themselves and dress or undress.

Learning opportunities:

Create a building site role play area inside/outside. Encourage children to build a house for the 3 little pigs using materials available e.g.: cardboard boxes of various sizes, crates, large wooden/foam blocks, sticks, hay and planks

hay and planks
Place muddy toy pigs in the tuff
spot and encourage children to
use sponges and toothbrushes
to clean the pigs in soapy
water. Provide towels to dry

Cooking activity – Provide a biscuit/rice cake and encourage children to add toppings to create a pig face.

Key learning:

Use large and small motor skills to do things independently, for example manage buttons and zips, and pour drinks.

Develop manipulation and control

Learning opportunities:

Hide dinosaur 'bones' in sand and provide sieves/colanders and brushes to dust off the sand and reveal bones. Can children arrange the bones to create their own dinosaur picture?

Add enhancements to playdough area to encourage children to represent dinosaurs they have seen in *Dinosaur Roar*. E.g. using lollypop sticks or pasta for spikes/tail/horns. Encourage children to describe their dinosaur.

Key learning:

Walk, run, jump and climb – and start to use the stairs independently
Enjoy starting to kick, throw and catch balls
Crawl in different ways and directions.
Explore different materials and tools.

Learning opportunities:

Create a group dinosaur egg using papier-mache.
Encourage children to tear up newspaper and use a paintbrush to stick to a balloon. When dry encourage children to paint the egg using different colours and sizes of paintbrush.
Hide a dinosaur at the end of

an obstacle course which encourages children do the following: Crawl through a tunnel

Crawl through a tunne Throw a ball Walk, run and jump Climb on equipment

Key learning:

Is able to coordinate movements needed to play and explore Can pour water or drinks from

one container to another.

Learning opportunities:

Provide a wide range of different containers for children to pour water into. Can use washing up liquid to provide different textures.

Use chutes or guttering to pour

Jse chutes or guttering to pour water

Use water squirters to make marks in outside area Use sponges and cloths to explore water Lift and carry buckets of water

Key learning:
Is able to use one handed tools
using either large or small
movements

Continue to develop manipulation and control of small motor skills

Learning opportunities:

Create bubbles by squeezing sponges in soapy water. Can create a toy car 'car or boat wash'.

Use water beads in tuff spot for large-scale sensory play – can adapt in the following ways: Freezing water beads for different texture Explore using a colander to strain beads from tray of water Scoop and transfer the beads to different containers

Key learning:

Explore different materials and tools with developing accuracy.

Can pedal a tricycle or ride a scooter using increased independence and skill.

Learning opportunities:

Digging with shovels and towels in soil, sand or wood chippings.

Water plants in the outside area

Navigate corners, turns and uneven ground on tricycle or scooters.

Adjust speed while travelling on tricycle/scooter

Key learning

Start to be able to use and remember sequences and patterns of movements for simple action songs

Develop more control on climbing equipment

Learning opportunities:

Children to remember animal actions and song related to 'Walking Through the Jungle' and other action songs

Provide children with bucket stilts so they can pretend to be tall animals like giraffes Attach a pen to the back of a safari car with toy animals around the paper. Encourage children to take the car on safari and weave between the toy animals to create a track.

Draw large outline of leopard or zebra on table with whiteboard pen. Can children roll playdough into small balls to add spots or long stripes for stripes?

Can start a conversation with an adult or a friend and continue it for many turns.

	Use a wider range of vocabulary.			friend, using words as well as actions.		
Personal Social Emotional	Select and use activities and resources, with help when needed. Become more outgoing with unfamiliar people, in the safe context of their setting. Show more confidence in new social situations. Play with one or more other children. Increasingly follow rules, understanding why they are important. Talk about their feelings using words like 'happy', 'sad', 'angry' or 'worried'. Begin to understand how others might be feeling. Play with one or more other children, extending and elaborating play ideas.	Talk about their feelings using words like 'happy', 'sad', 'angry' or 'worried'. Develop their sense of responsibility and membership of a community. Show more confidence in new social situations. Begin to understand how others might be feeling.	Play with one or more other children, extending and elaborating play ideas. Help to find solutions to conflicts and rivalries. Show more confidence in new social situations. Begin to understand how others might be feeling.	Develop their sense of responsibility and membership of a community. Develop appropriate ways of being assertive. Help to find solutions to conflicts and rivalries. For example, accepting that not everyone can be Spider-Man in the game, and suggesting other ideas.	Select and use activities and resources to help them to achieve a goal. Develop their sense of responsibility and membership of a community. Talk about their feelings using words like 'happy', 'sad', 'angry' or 'worried'. Begin to understand how others might be feeling.	Develop appropriate ways of being assertive. Develop their sense of responsibility and membership of a community. Become more outgoing with unfamiliar people. Show more confidence in new social situations. Help to find solutions to conflicts and rivalries.
Physical	Start taking part in some group activities which they make up for themselves, or in teams. Skip, hop, stand on one leg and hold a pose for a game like musical statues. Use one-handed tools. Show a preference for a dominant hand. Match their developing physical skills to tasks and activities in the setting. Choose the right resources to carry out their own plan. Collaborate with others to manage large items. Continue to develop their movement, balancing, riding (scooters, trikes and bikes) and ball skills.	Be increasingly independent as they get dressed and undressed Be increasingly independent in meeting their own care needs. Are increasingly able to use and remember sequences and patterns of movements which are related to music and rhythm.	Continue to develop their movement, balancing, riding (scooters, trikes and bikes) and ball skills. Use one-handed tools and equipment, for example, making snips in paper with scissors. Show a preference for a dominant hand.	Continue to develop their movement, balancing, riding (scooters, trikes and bikes) and ball skills. Start to eat independently and learning how to use a knife and fork. Show a preference for a dominant hand. Make healthy choices about food.	Match their developing physical skills to tasks and activities in the setting. Choose the right resources to carry out their own plan. Collaborate with others to manage large items. Use one-handed tools and equipment, for example, making snips in paper with scissors.	Use a comfortable grip with good control when holding pens and pencils Continue to develop their movement, balancing, riding and ball skills. Go up steps and stairs, or climb up apparatus, using alternate feet. Start taking part in some group activities which they make up for themselves, or in teams.
Literacy	Use some of their print and letter knowledge in their early writing tell an adult about the marks they make Develop their phonological awareness: - Join in with nursery rhymes - Sing some nursery rhymes independently	Use some of their print and letter knowledge in their early writing. Write some or all of their name. Develop their phonological awareness. Count or clap syllables in a word	Develop their phonological awareness, so that they can spot and suggest rhymes and experience and appreciate rhythm. Understand the five key concepts about print: Print has meaning The names of the different parts of a book	Use some of their print and letter knowledge in their early writing. Develop their phonological awareness, so that they can: Spot and suggest rhymes, recognise words with the same initial sound. Understand the key concepts about print. (directionality of text)	Understand the five key concepts about print. Engage in extended conversations about stories, learning new vocabulary: Use some of their print and letter knowledge in their early writing. Write some letters accurately.	Use some of their print and letter knowledge in their early writing. For example: writing a pretend shopping list that starts at the top of the page; write 'm' for mummy. Write some or all of their name. Write some letters accurately. Understand the five key concepts about print: Develop their phonological awareness

Discriminate betweer environmental sound Engage in extended conversations about learning new vocabul Develop their phonol awareness by joining nursery rhymes, tunin voice sounds, talking sounds and spotting a suggesting rhymes.	s same initial sound, such as money and mother stories, ary. ogical in with ng into about and	Print can have different purposes Use some of their print and letter knowledge in their early writing.		Number:	
Match and Sort: Begin to sort objects according to colour, s shape. Link numerals and amounts/Counting: Showing the right nur objects to match the for 1 and 2. Subitise small groups objects. Recite numbers to 5 Begin to show 'finger numbers' up to 5 whe joining number songs rhymes Measure Make comparisons be objects relating to siz length. Link numerals and amounts/Counting: Recite numbers to 5 Show 'finger numbers when joining number and rhymes Showing the right nur objects to match the for 1 and 2. Subitise small groups objects. Shape: Select shapes approp flat surfaces for build triangular prism for a Notice and talk about in the environment. Positional Language: Understand position the words alone Measure Make comparisons be objects relating to siz	rectangles, and triangles) using informal and mathematical language: 'sides', 'corners'; 'straight', 'flat', 'round'. Pattern: Talk about and identifies the patterns around them. Use informal language like 'pointy', 'spotty', 'blobs' etc. Counting: Say one number for each item in order: 1,2,3,4,5. Recite numbers beyond 5 Measure: Make comparisons between objects relating to size, length, weight and capacity. S' up to 5 songs mber of numeral of riately: ing, a roof etc. shapes through	Counting: Say one number for each item in order: 1,2,3,4,5. Know that the last number reached when counting a small set of objects tells you how many there are in total. Linking numerals and amounts: Showing the right number of objects to match the numeral to 4. Experiment with their own symbols and marks as well as numerals. Position and Direction: Describe a familiar route. Discuss routes and locations, using words like 'in front of' and 'behind'. Pattern: Extend and create ABAB patterns – stick, leaf, stick, leaf. Shape: Talk about and explore 3D shapes	Sorting and Matching: Find and match objects which are the same. Sort the same set of objects according to different criteria. Shape: Talk about and explore 3D shapes using informal and mathematical language: 'sides', 'corners'; 'straight', 'flat', 'round'. Link numerals and amounts/Counting: Show 'finger numbers' up to 5 when joining number songs and rhymes Say one number for each item in order: 1,2,3,4,5. Know that the last number reached when counting a small set of objects tells you how many there are in total. Measure: Make comparisons between objects: size, length, weight and capacity.	Fast recognition of up to 3 objects, without having to count them. Compare quantities using language: 'more than', 'fewer than' Solve real world mathematical problems with numbers up to 5 Showing the right number of objects to match the numeral, up to 5 Measure: Make comparisons between objects relating to weight and capacity. Begin to describe a sequence of events, real or fictional, using words such as 'first', 'then' Position and Direction: Describe a familiar route using spatial words. Discuss routes and locations, using words like 'in front of' and 'behind'. Understand and use positional language through words alone.	Measure: Make comparisons between objects relating to size, length, weight and capacity. Pattern: Notice and correct an error in a repeating pattern. Extend and create ABAB patterns – stick, leaf, stick, leaf. Talk about and identifies the patterns around them. Number: Showing the right number of objects to match the numeral up to 5 Begin to show 'finger numbers' up to 5 Compare quantities using language: 'more than', 'fewer than' Solve real world mathematical problems with numbers up to 5 Experiment with their own symbols and marks as well as numerals.

Understanding the World	Begin to make sense of their own life-story and family's history. Show interest in different occupations. Continue to develop positive attitudes about the differences between people. Use all their senses in handson exploration of natural materials. Explore collections of materials with similar and/or different properties. Know that there are different countries in the world and talk about the differences they have experienced or seen in photos.	Use all their senses in hands- on exploration of natural materials. Talk about the differences between materials and changes they notice. Continue to develop positive attitudes about the differences between people	Explore and talk about different forces they can feel. Explore how things work. Explore collections of materials with similar and/or different properties Talk about the differences between materials and changes they notice.	Plant seeds and care for growing plants. Understand the key features of the life cycles. Begin to understand the need to respect and care for the natural environment and all living things. Show interest in different occupations.	Use all their senses in hands-on exploration of natural materials. Explore collections of materials with similar and/or different properties. Talk about the differences between materials and changes they notice. Talk about what they see, using a wide vocabulary.	Talk about what they see, using a wide vocabulary. Know that there are different countries in the world and talk about the differences they have experienced or seen in photos. Understand the key features of the life cycle of a plant and an animal.
Expressive Arts & Design	Create closed shapes with continuous lines and begin to use these shapes to represent objects. Draw with increasing complexity and detail, such as representing a face with a circle and including details. Take part in simple pretend play. Increasingly follow rules, understanding why they are important. Talk about their feelings using words like 'happy', 'sad', 'angry' or 'worried'. Begin to understand how others might be feeling. Play with one or more other children, extending and elaborating play ideas.	Take part in simple pretend play. Remember and sing songs. Sing the pitch of a tone sung by another person. Sing the melodic shape Explore colour-mixing. Develop their own ideas and then decide which materials to use to express them.	Create their own songs or improvise a song around one they know. Play instruments with increasing control to express their feelings and ideas. Respond to what they have heard, expressing their thoughts and feelings.	Explore colour and colour- mixing. Begin to develop complex stories using small world. Make imaginative and complex 'small worlds' with blocks. Explore different materials freely. Develop their own ideas and then decide which materials to use to express them	Use drawing to represent ideas like movement or noise. Join different materials and explore different textures. Create closed shapes with continuous lines and use these shapes to represent objects. Draw with increasing complexity and detail.	Explore colour and colour-mixing. Listen with increased attention to sounds. Respond to what they have heard, expressing their thoughts and feelings. Draw with increasing complexity and detail. Create closed shapes with continuous lines

Communication & Language	Engage in story times. Learn new vocabulary. Understand how to listen carefully and why listening is important. Articulate their ideas and thoughts in well-formed sentences. Engage in non-fiction books. Use new vocabulary through the day. Ask questions to find out more and to check they understand what has been said to them. Listen to and talk about selected non-fiction to develop a deep familiarity with new knowledge and vocabulary. Listen to and talk about stories to build familiarity and understanding.	Learn new vocabulary. Use new vocabulary through the day. Learn rhymes, poems, and songs. Listen to and talk about stories to build familiarity and understanding.	Connect one idea or action to another using a range of connectives. Make simple predictions about what will happen next. Retell the story once they have developed a deep familiarity with the text. Listen carefully to rhymes and songs, paying attention to how they sound. Learn rhymes, poems, and songs.	Understand and use new vocabulary introduced through non-fiction texts and stories Use talk to help work out problems and organise thinking and activities explain how things work and why they might happen. Ask questions to find out more and to check they understand what has been said to them.	Listen to and talk about stories to build familiarity and understanding. Link events in a story to their own experiences. Articulate their ideas and thoughts in wellformed sentences. Describe events in some detail.	Articulate their ideas and thoughts in well-formed sentences. Learn and use new vocabulary Retell the story once they have developed a deep familiarity with the text; some as exact repetition and some in their own words.
Personal Social Emotional	See themselves as a valuable individual. Manage own needs. ELG Assessment Manage their own basic hygiene and personal needs, including dressing, toileting and understanding the importance of healthy food choices. ELG Assessment Show an understanding of their own feelings and those of others. Set and work towards simple goals, being able to wait for what they want and control their immediate impulses.	ELG Assessment Form positive attachments to adults and friendships with peers. Show sensitivity to their own and to others' needs.	ELG Assessment Form positive attachments to adults and friendships with peers; Show sensitivity to their own and to others' needs	ELG Assessment Show independence, resilience, and perseverance in the face of challenge. Understand the importance of healthy food choices.	ELG Assessment Show an understanding of their own feelings and those of others and begin to regulate their behaviour accordingly. Explain the reasons for rules, know right from wrong.	ELG Assessment Set and work towards simple goals. Be confident to try new activities and show independence, resilience, and perseverance in the face of challenge.

Physical	Know and talk about the different factors that support their overall health and wellbeing. Manage the school day successfully. ELG Assessment Move energetically, such as running, jumping, dancing, hopping, skipping and climbing.	ELG Assessment Move energetically, such as running, jumping, dancing, hopping, skipping and climbing.	ELG Assessment Demonstrate strength, balance and coordination when playing.	ELG Assessment Move energetically, running, jumping, dancing, hopping, skipping and climbing.	ELG Assessment Demonstrate strength, balance and coordination when playing.	ELG Assessment Demonstrate strength, balance and coordination when playing.
Literacy	Write their first name without a reference. Answer 'what' questions related to a story Spell words by identifying the sounds and then writing the sound with letter/s write the correct initial sounds of words Read individual letters by saying the sounds for them. Orally plan a sentence for an adult to describe Spell words by identifying the sounds and then writing the sound with letter/s write the correct initial sounds of words -write CVC words using the sounds they have been taught	Blend sounds into words, so that they can read short words. Spell words by identifying the sounds and then writing the sound with letter/s. Sequence and retell the main events in a story. Retell the main events in a story. Answer who, what and where questions about a book. Write their first name without a reference.	Create a simple narrative using vocabulary introduced through a text. Spell words by identifying the sounds and writing the sound with letters. Read and write simple phrases made up of words with known letter—sound correspondences and, where necessary, a few exception words.	Form lower-case and capital letters correctly. Write short sentences with words with known letter-sound correspondences using a capital letter and full stop. Read simple phrases and sentences made up of words with known letter—sound correspondences and a few exception words.	Spell words by identifying the sounds and then writing the sound with letter/s. Write short sentences with words with known letter-sound correspondences using a capital letter and full stop.	Write short sentences with words with known letter-sound correspondences using a capital letter and full stop. Form lower-case and capital letters correctly. Re-read what they have written to check that it makes sense. Spell words by identifying the sounds and then writing the sound with letter/s.
