

Instruction Guide for Parents to Access Learning from Home Resources for Nursery & Reception Pupils

1. Type into google <https://www.highhazelsacademy.org.uk/> this will bring you to our school home page
2. To view learning from home page click on the “click here to access the learning from home resources”, which you will find on the big red banner

3. Click on the Year Group your child/ren are in to view resources

4. Click on [click here](#) to view the work set from the teachers, the work will be in date order

5. Each SWAY page will have a variety of topics such as maths, english, reading, phonics etc. To open the topic click on the picture and work/activities for children to complete in the exercise book they are bringing home.
