

As a school, we are participating in 'Challenge 2020'- a United Learning initiative to develop collaboration, competition and character amongst our pupils and staff.

What is Challenge 2020?

Challenge 2020 a physical challenge using the number 2020. This could be a 20km run every week for 20 weeks or 20 minutes of activity for 20 weeks. It doesn't matter what you do but it must challenge you and use the numbers 2020 in a creative way.

Who is Challenge 2020 for?

Challenge 2020 is for all our classes from FS1 to Y6. Individual children may want to do a special challenge on their own which they can do in addition to their whole class challenge. Also, all staff will be taking on the challenge by joining in with 20 minutes of activity each week for 20 weeks! The event is also for all our parents and wider community to engage with however they wish to.

Why are we taking part in Challenge 2020?

We fully strive to provide our children with the opportunities to develop their abilities . Inspired by our core values, we believe that Challenge 2020 will instil **determination** and **confidence** into our children as well as kindle **ambition** within their learning. We believe that Challenge 2020 will awaken the joy of **creativity** for all our learners while also nurturing boundless **enthusiasm**.

When will Challenge 2020 start?

To start Challenge 2020, you need to have made a **pledge** as a **class**, as an **individual** or as a **family** by **Friday 31st March 2020**. The challenge will then begin on **Monday 3rd February** and will run through **20 school weeks** until the end of the academic year.
